

Match Day 2022 Results

Match Day 2022 marks the first cohort of NYU Grossman Long Island School of Medicine final-year students to participate in the National Resident Matching Program (NRMP). 100 percent of the graduating class matched. Supporting our mission, 90 percent are entering primary care residencies. 40 percent will continue graduate training within the NYU Langone Health system. Our medical students matched with the following programs in 2022.
